EXTRA Trial Exams and SACs:

- are designed to provide a **close experience to VCAA assessments**, mirroring quality, question styles, difficulty and formatting.
- include **comprehensive suggested solutions** with marking guide and sample responses.
- reflect **current VCAA study designs** and text lists (all available resources from previous years have been updated).

Our team:

A collective of current, accomplished Victorian secondary teachers with **decades of combined experience as subject VCAA assessors**.

What our customers say:

"Extra exams were used for our trial exams this year. The case studies were high quality and prepared students well for the final exam. I found the marking guide and sample solutions clear and easy to follow."

- Jessica Ye (Business Management Teacher)
